

# OSHC EDUCATOR MICROCREDENTIAL

Fully Funded for QLD Educators

## LIMITED SPACES AVAILABLE

QCAN have been funded by the Queensland Government to develop an OSHC Educator Microcredential. This microcredential is being developed as an industry partnership.

**A microcredential is a short certification course that allows you to learn new professional skills very quickly.**

The training and assessment for the microcredential will consist of six focus areas and be delivered over 2 x 3 hour face-to-face sessions. The training sessions will be 3-4 weeks apart with assessment tasks to be completed after each session. There will be on the job assessment tasks which are grounded in the everyday practice of educators that will need to be signed off as observed by their supervisor in the workplace.

### Focus areas:

- Legal and Professional Responsibilities of Educators Working within the NQF
- Duty of Care and Child Protection Responsibilities of an OSHC Educator
- Work Health and Safety and Managing Risks in OSHC
- Designing and Delivering Experiences in OSHC (in a manner that accords with the Approved Learning Framework)
- Relationships with Children (including Behaviour Guidance and Support)
- Effective Supervision and Safe OSHC Environments
