

OUTSIDE SCHOOL HOURS CARE PROFESSIONAL DEVELOPMENT & TRAINING PACKAGE SUBSCRIPTION

Step by Step Instructions

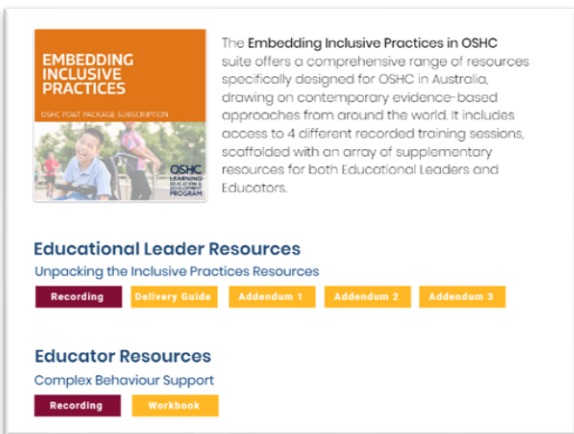

Congratulations on subscribing to the Outside School Hours Care Professional Development and Training Package (PD&T). This subscription offers the most comprehensive suite of resources specifically designed for OSHC in Australia, drawing on contemporary evidence-based approaches from around the world. It includes access to over 70 hours of recorded training, across more than 60 different sessions, which are scaffolded with an array of supplementary resources to further extend your teams learning and development. It has something for OSHC educators at all career stages.

The content is divided into 6 different areas:

- Embedding Inclusive Practices
- Empowering Educational Leaders
- OSHC Educator Microcredential
- Webinar Wednesday
- Recorded Training
- In-depth Behaviour Series

To access the content, click on the relevant image.

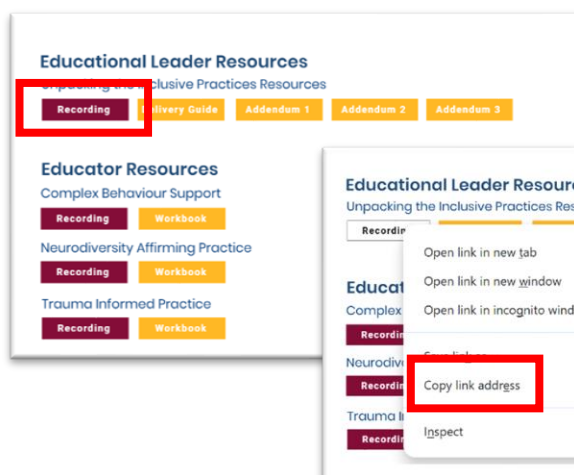

This will take you to a new page with the included content. Each page will have the same layout including resources for:

- Educational Leaders
- Educators

This includes:

- Recordings
- Supplementary resources

Certificates of completion are available in the PD&T tools page.

To access the recording for the selected topic, click on the red tab marked "Recording". This will take you to ZOOM. Each participant/group will need to register to watch the recording.

If you are sharing a recording amongst your team, please ensure you:

- right click over the recording tab
- copy link address
- paste in your message to your educators.
